## About Me

Hi, I'm Max Wakeling, a National Technical Honor Society member at Center for Technology, Essex's Computer Animation and Web Design Program. I'm curious, hard-working, and a self starter with a passion for learning.

## Education

South Burlington High School - 2018 to Present

Center for Technology, Essex

Computer Animation and Web Design Program 1 & 2

## Experience

Warehouse Employee - Green Mountain Imports - Summer 2019

- Responsibilities include: Checking products for accuracy, repackaging products, and moving products to be reshipped.

Community Service - Fellowship of the Wheel Trail Volunteer - Spring 2019

- Maintained trails by removing obstructing objects such as logs or rocks, creating drainage for rainfall, and raking leaves off the trail. New trails were also created if proper drainage could not be constructed/ too much vegetation etc.

Community Service - Goggles For Docs - Spring 2020

- Prepared Anon goggles to be shipped to medical to assist them in treating patients with COVID-19. In addition, I assisted in the creation of several face masks

Car Wash Operator - Seaway Carwash and Detail- August 2020 to Present

- Responsibilities include: Operating tunnel, detailing cars, cash register, customer service

## Awards and Certifications

- Member of National Technical Honors Society
- 4.0 GPA

## Skills

- Proficient in HTML and CSS
- Proficient in Blender
- Proficient in Photoshop
- Working knowledge of Microsoft and Google OCE
